Case Study

In the crowded space of business networks, Market Accents has founded and built a powerful, exclusive community for businesses operating in mid-space that want to network together for growth, innovation and partnership.

Before and After 6 is all about trust and sharing of knowledge. The network is now in its third year. Participation is by invitation only and has grown through referrals and personal contacts.

Breakfast meetings are organised monthly, generally hosted at members' offices or at central locations in London.

Before and After 6 has gathered members from diverse industries such as embassies, professional and business services, financial and banking, legal, marketing and media, accountants, printers, coaches, model makers and manufacturers.
